If you're looking for imported wearables, you won't find any in this book.

AKWA is dedicated to making only **MADE IN USA** apparel.

And we are the oldest continuing USA made supplier of casual corporate apparel to the ASI and decorated apparel industry.

## HOW TO BUILD A CUSTOM AKWA SHIRT

### 1. Choose a style:

Modify any AKWA style or let us develop your idea or product image.

### 2. Choose a fabric and color:

Most AKWA fabrics can be manufactured in any style. Make sure the fabric you choose is available in the desired color.

### 3. Choose the construction details:

Short sleeve, long sleeve, or 3/4 sleeve. Button placket, v-neck, or zippered placket. Standard shoulder or raglan shoulder. Add or subtract a pocket. Sew a custom label. Or tell us what you need!

### 4. Choose a decoration or order blank

Embroidery is our specialty.

Custom projects require a 144 pc min.

Allow 4+ weeks for production.

Some projects are more complex, and may require a longer lead time and/or a larger minimum order.

Call your distributor for custom quotes.
